

The HÜBNER TRANSPORTATION GmbH is a leading manufacturer of entry systems for buses and trams (streetcars). The company has accumulated a wealth of expertise and experience in the field of developing and producing ramps and lift systems since it was founded in 2004.

Think Globally, Act Locally

With this philosophy, this subsidiary of the international HÜBNER Group continues to gain new markets worldwide. By closely liaising with both vehicle manufacturers and end users of the Entry-Systems, HÜBNER TRANSPORTATION GmbH has developed a product range of ramp and lift systems that meets or exceeds all safety and quality requirements. They offer the combination of functionality, user-friendly operation, and quality giving the highest level of end user comfort.

This being the focus of our corporate mission.
